MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Contract No. CT-701 with Hycon Mfg. Company
Pasadena, California, [redacted] Project CHALICE (Air Force)

25X1

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.
2. Contract No. CT-701 is a price redetermination call type contract for use by the Project and Air Force in ordering spare parts, modification kits, components and data for equipment which has been manufactured by the Contractor. This contract supersedes the fixed-price-open call Contract No. HF-CT-696 which expires on 30 June 1959. It was felt that price redetermination with this Company instead of fixed price would better protect the interests of the Government. This contract is effective for the period 1 July 1959 - 30 June 1960.
3. This contract provides funding for the initial six month period and indicates that Chalice funds are contingent upon the availability of FY1960 funds. Funds should be obligated as follows:

Customer No. 1	CHALICE	1960 funds	\$24,000.
Customer No. 2	Air Force	"No Year"	
		funds during	
		FY 1960	\$65,000.

By concurrence to this memorandum the Comptroller signifies that Air Force funds are available and have been obligated and that Chalice dollars have been noted and will be obligated when available.
